TIDA Webinar: Defense Verdict After Fatal Collision

Tampa, FL (May 2025) – Alvarez, Thompson & Smoak, P.A. is excited to share that Bill Smoak will be featured in TIDA's upcoming Victories & Setbacks webinar, "Defense Verdict after Fatal Collision with Driver who Exited Vehicle on Interstate," happening Wednesday, May 7 at 1:00 PM Eastern.

Bill Smoak and Chance Arias recently secured a defense verdict for a national trucking company in a Florida wrongful death case with a \$9 million demand at trial. The facts were challenging—an unlit interstate, a disabled vehicle stopped in the roadway with no lights, and a pedestrian on the highway at night.

Join us to hear Bill break down the strategy behind this result and share practical insights you can apply to your own litigation practice.

💡 TIDA webinars are open to active members only. Be sure to register using the credentials linked to your TIDA profile.
